No Ifs Ands or Buts

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- A.W. Tozer has said, “What comes into our minds when we think about God is the most important things about us.” Do you agree? What comes to mind for you?
- Do you live as if God’s love for you covers you - always and in everything?
- What have you heard God calling you towards, but you’ve been too afraid or busy to run after? What could change that into convictions you’re willing to step out and live for? Who might be the person “in your corner” that will believe in you, for you?
