## It's All About Me...And Jesus

### How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### Key Questions:

- How would you describe what it looks like to follow Jesus? Does it have anything to do with how you utilize the resources at your disposal?
- In Malachi 3:8-12, the Lord lays down a challenge - to tithe first and in doing so, trust him to provide what you need. Do you do this? If not, what keeps you from doing so?
- It is said when people are asked “What is enough money?” the answer is always 20% more than what they have. How does this attitude impact how we see our resources from God? What might you do to change that attitude in your life?
