Foundation Legacy

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Do you know how you spend your time? Do you plan or do you simply go with the flow of the day? How might how you spend your time be a spiritual discipline?
- Who are the people in your life who have been the hands, feet and voice of Jesus for you? Take time this week to thank them for their witness in your life.
- What do you want people to remember you for after you are gone? Are you living into that legacy today? And if not, what keeps you from doing so? What steps might you take to live more fully into your legacy now?
