Foundation Giving

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- When you give money, time, talent to the work of Christ's body - do you do it with joy or begrudgingly? How might your attitude towards what is yours to give, impact how you live?
- Mother Teresa once said: "To show great love for God and our neighbor, we need not do great things. It is how much love we put in the doing that makes our offering something beautiful for God." If you lived that this week, what might change for you? For others?
