And the Thanks Goes to...

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- When was the last time you sat down and consciously thought about all God has given to you...and then thanked him? Take time this week to thank God for the abundance he gifts you with on an ongoing basis.
- If you struggle to tithe or give offerings to God, ask the Spirit to come and shape your heart - that you might know the joy in giving back with what you've been given. Then watch how your life might change!
- Do you have trouble trusting God will provide for you? If so, take a small step this week in trusting God by taking some of your time and giving it back to God in service. See what God does with that gift...then keep trying small ways to give back...and watch what God will do through and for you!
