... Great Potential

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How often do you see yourself as “less” than someone else or something else? Wishing you were better, more talented, etc.?
- What might change for you this week if you chose to believe you had potential in God’s eyes and God wants to use you this week?
- This week, try this: somewhere each day, take time to simply breathe in and out slowly and as you breathe, invite the Spirit in to remind you how precious you are and how God is working in you and through you.
