## God Will Make All Things Good

### How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### Key Questions:

- Perhaps one of the most misquoted scriptures is Romans 8:28: “We know that all things work together for good for those who love God, who are called according to his purpose.” While this says God can have good things come out of bad situations, it doesn’t say God makes everything good. How might misquoting this verse hurt people?
- Have you ever had anyone tell you “God makes everything good” - when you know it to not be true? How did you feel? Have you ever said this to others?
- What might be a more helpful thing to say instead of this?
