THE GOSPEL ACCORDING TO

PIXAR

Be Who You Are Where You Are

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Take a few moments and make a list - write it down - of your gifts and talents. And yes - you, even you, have them!

- Now, make another list of your passions - the things that make your heart stir and you not be able to sit still.

- Now, look at those lists. How are you using what God has given you to further his kingdom, his love in the world? In your world?
