THE GOSPEL ACCORDING TO

P I X A R

Dealing with Plot Twists

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Stop and think for a while - do you decide how God loves you based on your choices/experiences in life?
- What if you stepped back and chose to believe - no matter what your choices have been, will be...Jesus loves you no matter what? How might that change your perception of yourself? Your circumstances?
- Read thru the scripture from today again - let it seep into the core of your being - you are loved not because of your choices, not in spite of your choices - you are loved because God chooses to love you. Period. Rejoice and say thank you for that today.
