## Dragons, Beasts & Bowls

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- This week take time to read through the handout - making sure you understand all the imagery...what catches your attention?
- So often what we hear about Revelation is all the fantastical images. But we're learning another side of Revelation is all the worship that happens. This week go back through chapters 1 - 15 and mark all the times worship happens. Is there a common theme? If so, what is it and does your worship sound anything like the worship here?
- What did you hear in today's message that stuck with you in particular? What questions did it raise? (Send your questions to Pastor Jane: [jane@faithgolden.org](mailto:jane@faithgolden.org).)

### Reading for this week:
