## **...of Healing**

### **How to use Talk It Over:**

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- When you look around you, where do you see brokenness - things not as they should be? As you look at these places, is there any way you could make things better for someone?
- Where are the broken places in your life? How might they be healed? What would you need?
- How is the pace of things for you right now? Does your soul have time to connect with Jesus? If not, what keeps you from slowing down enough to connect?
