## **What are we Training For?**

### **How to use Talk It Over:**

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- What do you do during an ordinary week to maintain or grow the relationships you have with other people?
- What do you do during an ordinary week to grow your relationship with Jesus?
- While we know we don't have to "do" a whole list of things in order to be saved, Jesus does call us to invest time in our relationship with him...not to be saved, but to enjoy the presence of God. In what ways might you choose to invest this Lent in order to grow closer to Jesus?
