Training for Who You Are

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- If you have to use 5-10 words to describe who you are...what words would you use? If not sure - ask someone who knows you well to tell you the words they would use.

- Just as we have different personalities, different ways of seeing and doing things, we have different ways that best connect our hearts to God's. Think about times when you have felt most deeply connected to or aware of God's presence. What were you doing? This week - try engaging with God in these ways!
