## **We All Need the Team**

### **How to use Talk It Over:**

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### **Key Questions:**

- Do you like to help others out? If you do - what do you love to do for others?
- How do you feel about letting others help you? It has been said if we want to know how we feel about “help,” we need to look at how we accept help - not at how we give. Do you find it hard to accept help from others? If so, why? If not, what have been the gifts you received from letting others walk with you?
- Where/when do you need community to walk with you? How are you finding this community?
