I Become Generosity

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- When you think of generosity - what do you think of? What if being generous is about way more than just what we do with our money? Does that change your image of what it means to be generous?
- Do you have a generous spirit? If so, what fuels it? If not, what holds you back?
- Are you more worried about things being “fair” or using whatever you have to glorify God? This might be a good question to really ponder this week.
