Fueled to Be the Change

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- When we think of the life Jesus gives us, too often we think only about what we gain...but what if our deepest gain is that we get to be the hands, feet and voice of Jesus in the world? How is your life making a difference?
- We are all pretty good at pointing out what “others” need to do in order to make the world better...but what do you need to do or change in order to impact the world around you for good?
- Jesus tells us all as his followers - we are lights others look to. Is your life reflecting the love and grace of Jesus

into others' lives? If not - what can you do to change that? If so, how might you shine even brighter?
