## It all Starts with Seeds

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- In the parable about the seeds and the sower, some seeds fell on rich soil, others not so much. If the soil is your heart - what kind of soil is God's 'seeds,' His Word, falling on?
- How much time do you spend reading and/or thinking about God's word? What if you spent just 5 minutes a day in the Word? Or 5 minutes more? How might that change your connection with the Word? Dare to try it this week and see!
