Wet Wood CAN Burn!

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Take stock of your life over the past couple of weeks - what has been first and foremost in your mind? Activities? Where have you spent your time, your strength, your heart?
- God's call to the people through Elijah was to return to God and make him number one. If you had to place God in your priority mix, where would God fall?
- That day on the hilltop, God showed up in an incredible way - burning water-soaked sacrifice meat and wood. Take time this week to pay attention to where God shows up in your life...maybe in still, small ways, maybe in huge, amazing ways - but pay attention, and then give thanks!
