Lying Gets You Nowhere

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Have you ever found yourself in a place where you wondered where God was? Or why God “did this” to you? When you think about that time...what were the circumstances? In what ways do you feel God was to blame?
- Ever find yourself somewhere you didn’t want to be - and blamed God or someone else, rather than own your own part in it? If yes, think about why you don’t want to take responsibility.
- Today’s story seems harsh...yet go back and read Galatians 6:7-10a again. How does this go with the story you heard today? What does it call for in your life?
