**YES**

### **How to use Talk It Over:**

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### **Key Questions:**

- What are some of the most important times you've said "yes" over the years?
  
- What do you think it means to say "yes" to God? How often do you say yes to him?
  
- How does saying "yes" to God impact your self-image? The way you think about your life? This week - try embracing God's yes to you...and see what change might happen!
