ENOUGH

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How has your idea of “enough” changed since you were a child?
- Part of living “enough” is choosing to not live in scarcity mode. Where in your life do you most live with a scarcity mindset?
- Take a look at your life - often we aren’t ok with “enough” because we have no idea what that might look like. So take a look and decide when is enough enough? Then, start living into that.
