WOW!

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- What are a few things in life that wow you? What used to amaze you but has now lost its wow-factor for you?
- In what relationships do you take the other person for granted - i.e. fail to see the “wow” in knowing them?
- Have you ever stopped long enough to be wowed by who God has created you to be? The challenge for the week ahead is to choose to see yourself as God does - and be wowed by who you get to be, too!
