Defying Gravity

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Where do you feel yourself “pulled” in your life? What are those areas that seem to demand more and more from you? Where do you feel the weight of this life tugging at you?

- Where is your heart these days? Do you find yourself consumed by the things of this world? Do you need deep connecting time with God?

- Take stock of your life this week...try to name the area(s) of your life that is/are dragging you down, holding you back. What might it look like if you were able to make a change in this area of your life? What keeps you from changing it?
