## Saying Thanks!

### How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### Key Questions:

- Take time today and make a list of all the things you can think of to be thankful for in this past year. Write down what you can think of, then keep the list handy and keep adding as you think of more things.
- All we've been given and all we have, who we are and whose we are, are gifts from God. Take time to thank God for the many ways your life has been blessed.
- God has gifted and blessed you abundantly. What will you do with all you are and all you have in the coming year? How will you say thanks with your life in the coming days, months, year? Be specific. Write it down. Live it out.
