## Taking a Risk

### How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### Key Questions:

- Are you a risk taker? If you are, what are you willing to risk? And for what? If not - what keeps you from taking risks?
- What's one thing that feels risky in your life of faith? What might happen if you chose to step through the risk?
- Think about the people in your life who have spoken the love of Jesus into your life...what did they do? What might you be able to do for someone else?
