Embracing Profound Hope

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- What do you truly hope for in life? (not the “I hope for a new phone” kind of thing - but what do you really hope for?)
- If you had to give hope a definition - how would you define it? Where do you find hope?
- If hope is that thing inside you that refuses to give up, even in the midst of overwhelming circumstances, how does your faith in Jesus raise up hope for you today? Does it? If it doesn't, what stands in the way?
