The Covenant of God – In the Beginning

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Today we start reading the beginning of God's story and ours - found in Genesis. What might keep you from engaging fully in this? How might you shift your life to make this possible?
- What fears might you have as we begin this journey?
- As you read this week, take note: what's familiar, what's new, what questions do you have?
