The Covenant of God – Seeing Things God’s Way

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Has there ever been a time in your life where you saw your life was very different from how you think God might have viewed it? What happened?

- One of the biggest problems the children of Israel had was that they quickly let go of their trust in God time and time again. Where do you struggle to trust God? How might you grow in your trust of God?
