## The Covenant of God – Golden Calves, Tablets of Stone

### How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### Key Questions:

- The children of Israel often wandered away from God or made choices that took them away from God's presence. Where in your life do you try to keep a distance from God? When have you made choices that drew you away?
- Has there ever been a time when you knowingly chose to walk away from God or ignore God? What happened?
- What are some of the "golden calves" in your life - things you worship/pay more attention to than God?
