Messy Can Be Good!

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How do you feel about messes? Are you a neat and tidy person or do you have piles all over - but know what's in each pile? Or are you somewhere in between?

- When you look at your life today - where are the messy spots? Are they tied to other people? Your own habits? Circumstances? What else?

- Where have you seen the messiness of life - and come to realize the mess, while not always comfortable, was good?
