Love Does... Love Lives!

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Imagine you were with the women on that first Easter. How would you feel? What would you do? How about when the disciples didn't believe you?
- How do you live your life? On purpose? Go with the flow? Not sure? Think this week about how you live your life...and what might happen if you chose to live for God's purposes first.
- Jesus died and rose again out of love for you. Not because you earned it but because he loves you so much. Dwell on this truth this week. Live out of this truth this week.
