No Longer Typical

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- In what ways do you “blend in” to the culture/society around you? How much effort do you really spend trying to “fit in?”
- Have you ever thought of your life when following Jesus as “not typical?” How does your following Jesus put you at odds with the culture around you?
- This week, take a chance and embrace the idea that your life can be more than typical! Try taking at least 3-5 chances to do something to spread the love of Jesus. See how it impacts you and others!
