Just Be Friends

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Have you ever had a deep, close, amazing friend? If so, what did they do that made them such an amazing friend?
- Who in your life has shown up when you needed them? What did they do? What was their attitude towards you like?
- Think of 1-2 people in your life who need a good friend right now. Is there someone? How might you show up in their life as simply a friend? If you don't have anyone in your life like this right now - pray for God to show you someone who really needs a friend...then go be a friend!
