## Jesus Doesn't Want Stalkers

### How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### Key Questions:

- If you had to pick between standing at a distance observing, in the stands cheering, or on the field playing - how would you define the way you live your Christ-following life? What makes you say what you do?
- Have you ever used the excuse "I don't know enough" to keep from doing something regarding your faith? If so, what was it? How much do you think you need to "know" in order to do what you passed by?
- What if you don't need to know more than you do - in order to impact the world for Jesus? What might you attempt? Knowledge aside - what keeps you from stepping out?
