Lose the Cape

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Where in your life do you see yourself as “not enough?” Who/what has directly or indirectly told you that?
- When you think of our faith life, on a scale of 1-10 (one being flat out not moving at all, and 10 being on fire - you can't stop me), how would you rate yourself? What might happen if you took things up a notch or two? What might happen? What scares you?
- Being a “hero with Jesus” isn't really that hard - we just have to be intentional. Try being highly intentional this week about stepping out, showing up and letting love do things in the lives of others...and see where it takes you!
