The Great 2nd

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Have there been times in your life when you felt scared? Alone? Weak? What was happening? What did you do?
- God declares to Joshua if Joshua will simply keep his heart and mind trained on God - he will be strong and courageous. How could this work for you?
- Often when we feel weak or alone, afraid - we accuse God of not being near. Next time you feel this way...try calling on the name of God and ask to feel God's presence. See what happens...
