From the Outside In

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Have you ever heard a child say something profound? What did they say? What is the best thing about kids/youth in your opinion?
- What do you think might change within the church system if we saw children as the church of today? Should we do this?
- This week take time to listen to kids - whether it's simply listening to them laugh, giggle or cry - or if they're saying something - take time to really listen.
