Build a Boat

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- We don't really know that much about Noah's wife, but think about what you know of the Noah story and imagine yourself in Noah's wife's place. How would you be feeling? What would you do?
- Noah's wife seems to have played a pretty important role in supporting Noah and preparations in the ark...yet, she is never named. Do you know someone who serves willingly without any need for people to know? If so, who? Take time this week to thank them!
- Where/who might you serve this week...without any need for recognition? Try it!
