Up the River Without a Rattle

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Have there been times in your life where it felt like God was nowhere to be found? He was far, far away? What was happening then?
- At times our own heartache or struggle gets in the way of feeling God's presence. Have you ever doubted God's presence with you? If so - what happened? If not - how have you held onto that truth?
- This week - try choosing to believe, no matter what, God is with you. If your heart falters, stop a moment and choose...I will trust God is present with me.
