## From Coveting to Contentment

### How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

### Key Questions:

- Where do you find yourself dissatisfied with the things in your life? (i.e., do you want a new phone, a better home, another toy, etc.?)
- What seems to hook your discontentment? Advertising? Someone else getting something? See if you can name the things that trigger coveting in your life.
- This week, every time you find yourself “wanting” something, see if you can identify it as a want versus a need. If it’s a “want”...try choosing contentment with what you have. See how hard or easy it is to do and how your attitude changes.
