The Big Question

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- 1) When you think of all you've been given, how do you view it? Do you hang onto it with a vise-like grip or do you hold your things loosely?
- 2) Double check your attitude towards your things this week. Do your attitudes keep you from being generous?
- 3) How might your life change if you saw each moment as a gift from God and each moment as a chance for you to make a difference in someone's life? Could this be good?
