The Big Question

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- Have there been times in your life when you have prayed for healing? If so, what were you hoping for? What happened?
- Have you ever asked anyone to pray for you? Have you ever been asked to pray for someone else? What do you think is the purpose in praying for others, or others for you?
- Do you think someone can be healed, without physical healing?
