## The Big Question

### How to use Talk It Over:

*Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.*

### Key Questions:

- Looking back over your life, are there places where you wondered where God was in the midst of things, but in looking back you can see God present? What happened? How do you feel now?
- When you look back over your life, what lessons have you learned? What experiences have you had that shape who you are today?
- Take time this week to look truthfully at your life and then turn your heart forward into the coming year. Where might God be leading you this year?
