A Listening Life

Proverbs 8:32-35

Luke 10:38-42

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- If you were to rate yourself on a scale of 1 to 10 – 1 being I don't really listen at all to 10 being I work hard to listen really well all the time, how would you rate your day to day listening?
- What makes it hard for you to hear the voice of God? Do you think it's possible to hear God's voice? What makes you say what you do?
- This week, try taking at least 5 min a day and sit quietly. Breathing deeply. Ask once for God to speak and then simply breath in and out and see what you hear.
