Ways God Speaks

Psalm 46

1 Kings 19:7-13

How to use Talk It Over:

Talking through the message during the week helps you turn what God is saying to you into action steps. Begin with the key questions and then wrap up by deciding on your next steps. You can use this study guide with your small group, your family, or on your own.

Key Questions:

- How do you know when someone is listening, really listening to you? How do you show others you are really listening to them?
- Have you ever heard God speak to you? If so, what was it like? What did God say? If not, have you ever tried really listening? Have you ever considered the idea that God uses many “voices” to speak – and sometimes God’s voice sounds like a good friend or a trusted mentor?
- This week, try being still long enough for God to speak. Find a calm place, still your mind and heart and simply listen. What God speaks into your heart just might surprise you!
